## ABOUT YOUR VISIT

### When Scheduling Appointments:

Please inform the spa consultant of any physical conditions or special needs that may affect your treatment including pregnancy, high blood pressure, allergies, recent surgeries or any other concern that may impact your experience.

### What Should I Bring?

Loose, comfortable clothing is recommended. When you arrive to the spa you will be provided a robe, locker and slippers. Most treatments are enjoyed without clothing or in undergarments. Your therapist will leave the room while you change into and out of your clothes, and you will be fully draped during treatments. Do not bring valuables or jewelry, as the resort is not responsible for lost or stolen articles.

### When Should I Arrive:

We recommend arriving 20 minutes prior to your service start time to allow time to change and relax. Use of our steam room and relaxation space are recommended, and a selection of herbal teas and fresh fruit are provided. Should you arrive late for your service, the treatment will be modified to end on time, so the next guest is not inconvenienced.

### Cancellation Policy:

We have reserved your treatment time and your therapist just for you. Should you need to move or cancel a service, 8 hours' notice is required to avoid a cancellation fee. Spa Packages require 24 hours' notice to move or cancel.

### Service Charge:

For your convenience, a 20% service charge will be added to all a la carte services. If you choose, you may leave an additional gratuity for your technician.
