ABOUT YOUR VISIT

When Scheduling Appointments

Please inform the spa consultant of any physical conditions or special needs that may affect your treatment, including pregnancy, high blood pressure, allergies, recent surgeries or any other concern that may impact your experience.

What Should I Bring?

Loose, comfortable clothing is recommended. When you arrive at the spa, you will be provided with a robe, locker and slippers. Most treatments are enjoyed without clothing or in undergarments. Your therapist will leave the room while you change into and out of your clothes, and you will be fully draped during treatments. Do not bring valuables or jewelry, as the resort is not responsible for lost or stolen articles.

When Should I Arrive?

We recommend arriving 20 minutes prior to your treatment to change and relax. During that time, you will have access to our relaxation space, steam room and a selection of herbal teas and fresh fruits. Should you arrive late for your service, the treatment will be modified to end on time, so the next guest is not inconvenienced.

Cancellation Policy

We have reserved your treatment time and your therapist just for you. Should you need to move or cancel a service, please notify our team 8 hours before your appointment to avoid a cancellation fee. Spa Packages require 24 hour notice to reschedule or cancel.

Service Charge

For your convenience, a 20% service charge will be added to all à la carte services. If you choose, you may leave an additional gratuity for your technician.
